**ALLIED WASTE SERVICES WASTE COLLECTION PROCEDURES
FOR THE CITY OF LA GRANGE**

The City of La Grange has renewed the solid waste collection agreement with Allied Waste Services (AWS). Beginning December 31st, AWS will deliver a new 96 gallon trash cart to your residence or small business. The cart has wheels and a hinged lid and is safer for residents, and the collection crews, to handle. The carts will help to keep the community cleaner and prevent litter.

Please place your trash at the curb for collection by 8:00A.M. on your collection day. After the cart has been emptied please bring the cart back to your residence.

**PLEASE PLACE YOUR CART AT THE EDGE OF THE STREET WITH THE
WHEELS FACING TOWARD YOUR HOUSE. DO NOT PUT THE CART IN
THE STREET.**

All trash must be in the blue AWS cart. No extra trash will be picked up except after holidays. After a holiday extra bags, boxes or bundles that are outside the cart, in an amount equal to the volume of the cart, will be collected at no additional charge. Holidays include New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas. One extra cart per household is available for an additional \$4.00 per month. Call the City at 968-3127 if you need an extra cart. Extra recycle bins are free.

Brush and leaves may be placed in the blue AWS carts.

Bulky items such as furniture, mattresses, rugs, appliances, stumps, and other large items will not be collected at the curb.

CITYWIDE CLEANUP

The City conducts three cleanups per year generally in April, July and November. The cleanup dates and details will be announced by City Hall.

Appliances that contain CFC (Freon) must have the coolant removed and tagged by a licensed technician. You can negotiate this service with your appliance dealer.

AWS cannot collect tires, hazardous waste, explosives, flammables or construction debris at the curb. If you have questions regarding the disposal of construction debris please contact City Hall at 968-3127.
